# Camp Video

## Western Town weeks 2 to 8

The **Week in Review Video** for Western Town will be posted on our website [www.csranchhalkirk.ca/store](http://www.csranchhalkirk.ca/store) at the end of each week. You can purchase the video online after your week of camp or you can choose to pay for it when you register for camp. **If you prepaid** for a camp video you will receive a coupon code that you can use to download the video from our website for no additional charges. We are no longer able to provide DVD copies of our camp video.

# MEDICATION

Medical care is a vital part of our role for your child at the Ranch. Please advise us at registration if there are any changes to your child's medical information. **The Ranch reserves the right to refuse admission to any rancher with a suspected contagious condition (i.e. fever, chickenpox or lice/nits).** To ensure your child has an enjoyable week, and to protect other ranchers, please have any condition treated completely before coming to camp. If this is not possible, please call and inquire about rescheduling to another week (pending availability). Due to the structure of our program, we request that medications required throughout the year are sent with your child to camp. All medication brought to camp must be kept by our first aid personnel, including vitamins, puffers, and Tylenol. Everything must be labelled with the name of any medication and directions for use. **Prescription medication must be in original containers with user's name printed on the label.** If you would like your child to carry their puffer or EpiPen with them, please bring a second one to be kept with the camp nurse.

# ALLERGIES

Should your child(ren) have food allergies, please contact us at least on week ahead of arrival to request a menu for their week of camp. We are unable to provide specialties for campers, but can work with you to provide meals for those who have special diets for medical reasons. Circle Square Ranch will make every effort to accommodate allergies. We strive to be a nut free facility, and do not knowingly serve foods containing nuts. We do not purchase items for our kitchen or tuck shop that "may contain traces of nuts", however we cannot guarantee that there will be no trace of an allergen in food served.

**LICE** Please check you camper's hair before they come to camp!! A **lice check** is part of our registration process. Any camper found with lice/nits will be sent home so a proper lice treatment can be done. If you have travelled too far to return home, we have treatments available to be purchased. **Your camper's hair must be free of ALL nits and adult lice before your camper can stay. Sorry, there are no exceptions and no refunds due to lice.** It is very disappointing for a camper to have to be sent home because of lice, so please check ahead of time; if you are not sure please contact a medical clinic.

colourful, durable and fun  
labels for everything  
they take to camp!

Mabel's Labels™

[camps.mabelslabels.com](http://camps.mabelslabels.com) 1-866-306-2235

Order labels to mark your child's "stuff" and a portion of the fee goes to our Summer Missions fund to help our summer staff to be able to volunteer for the summer.

**LOST AND FOUND:** During the week, we will display lost & found items to campers. At the end of the week the items in lost and found will be displayed in the lobby of each camp's main building. Whatever is not claimed will be bagged up and given to charity at the end of the summer.

**PLEASE NOTE:** *We are not responsible for lost items - we will do our best to make everything that we have found available, but please look through all the items after the rodeo before leaving with your child.*

# RODEO

The ranchers have a chance to show off their increased horsemanship skills to their parents, as well as compete against their peers in a friendly rodeo to end their week of camp. We encourage parents, family and friends to attend the rodeo and cheer on their child and the other campers as they compete.

The rodeo is held in the riding arena across from the main parking lot.

## RODEO SCHEDULE:

Rodeos take place on **SATURDAY**, at below listed times:

**PATHWAY** - Rodeo begins at **11:00 am**

**WESTERN TOWN** - Rodeo begins at **12:00 pm**

**Week 9** - Rodeo will be on **Wednesday, Aug 26**
