

CAMPER SCHOLARSHIP POLICY

Please take time to carefully read information and fill out application form.

Thank you for requesting information about our Scholarship Program. It is our desire to help you find a way for your child to attend camp. The funds for this program are provided through the generosity of caring individuals who have given of their limited resources towards helping children whose families are unable to afford the full fee to experience a week at the ranch.

In order for us to make Christian Camping available to as many children as possible, we have established a policy to provide **partial** assistance from our Scholarship Fund. To consider and process your request we require the following:

- Complete in full a **Camp Application form** for your child, indicating your first, second, and third choice of weeks or go through the **online registration** process. www.csranchhalkirk.ca (Choice of weeks is at the discretion of the Director and dependent on availability.)
- Complete **in full** the **scholarship application form** (follows this letter) and include a **proof of family income**. (i.e. a copy of your income tax return or social assistance cheque). Families applying for scholarship must qualify based on level of income and number of supported children; qualifying levels are designated by Circle Square Ranch National Office.
- Enclose a **deposit (money order preferred)** as your contribution to partially cover your child(ren)'s camp fee. Please pay as much as you can possibly afford as funds are limited, and our goal is to assist as many children as possible. If further funding is not available and the child is not able to attend camp, we will return your money order.
- **The minimum deposit required would include a \$50 Administration fee, PLUS at least \$50 as a portion of the fee to cover the cost of food for a week (\$100 minimum) per child applying for scholarship.** (If there are extenuating circumstances, please contact the Ranch Director.) The fund goes to more children as each family contributes what they can.
- **Note:** Partial scholarships are available to those applying for the second time only *after those applying for the first time have been accommodated*, in order that every child will have an opportunity to attend the Ranch at least once.

When we have received **all** of the required information we will enter your child(ren)'s name(s) on a list and process the registration as soon as the balance of the fee becomes available through the Scholarship Fund. As a registered non-profit organization, we are accountable to Revenue Canada for the correct management of these funds.
